Summary: ELF Poem, Lucas' POV, Set after Ep. "Brave New World", To Nathan

Remember

Author's Note: ELF Poem- Possible 3rd Season right after episode "Brave New World". Lucas' thoughts/feelings on the issue of Nathan leaving. Pretty short and different from my norm. Rated PG. Archive at will.

Remember

Remember when you told me Remember when you said

You said you'd never leave me You promised never to go

But still you turned and walked away Still you left me standing alone

Despite my quiet protests, you left anyway Despite my silent requests, you never explained

I guess you didn't care or remember I guess you must've forgotten it all

All the things that you told me And just what is was you said
